OUR CATEGORIES

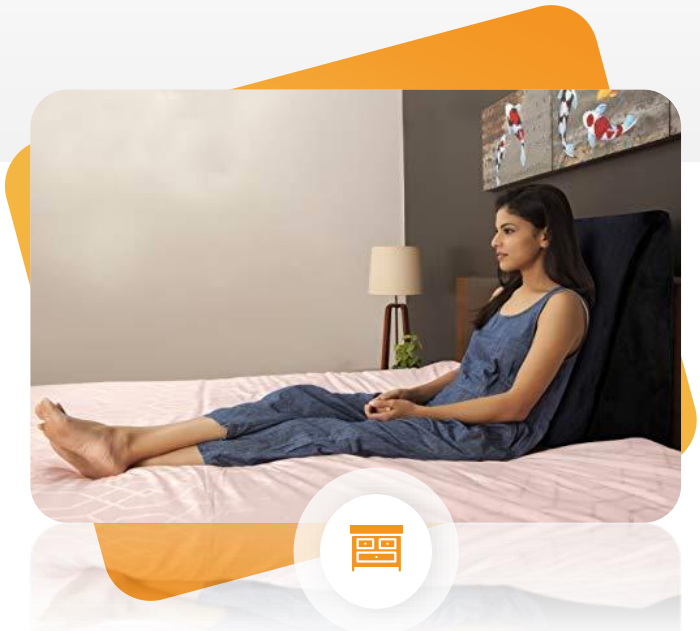

MEMORY FOAM PILLOW

Memory foam molds to the body in response to heat and pressure, evenly distributing body weight. It then returns to its original shape once you remove the pressure

PU LATEX FOAM PILLOW

As a cushioning material for upholstered furniture, flexible polyurethane foam works to make furniture more durable, comfortable and supportive.

HR FOAM PILLOW

High resilience is a polyurethane foam that has a much higher responsiveness than memory foam, which has a slower response.
